EXPERIENCE

Freelancer - Web Developer

2021 - Present

- I often work directly with clients to understand their project requirements
- I resolve issues such as bugs and errors, ensuring that the website functions smoothly
- I create responsive websites from scratch and modifying existing ones.
- I plan and estimate project timeline.

P.R.O - GitCub Organization

October 2021 - Present

- I develop and implement a comprehensive strategy to promote the organization's brand
- I write, edit, and proofread engaging and compelling content for press releases, articles and blog posts.
